

EXPLOSION PROOF CENTRIFUGAL DUCT FAN

GMC DCF-508:

- Centrifugal duct fan
- Ex-Proof

Application

- designed for the extraction of aggressive exhaust air and gases
- for horizontal and vertical installation
- suitable for application in boiler-rooms, oil refineries, laboratories

Composition

- Plastic case
- Motor is 400V, 50Hz, 3ph, Ex-Proof according to standards Ex-87/3719
- EEx e II class according to EN 50 014 / 50 019
- Temperature class: T1, T2, T3
- Zone 1 ve Zone 2

Air Performance Data

DCF-508	Qv [m3/h]
